

# CerealCodes

Fostering the Spirit  
of Problem Solving

Join us for:

- Frequent competitive programming contests
- 1k+ participants and over \$35k in prizes in the past
- Levels range from beginner to highly competitive
- Problems written by highly ranked USA Computing Olympiad participants
- Seven USA Computing Olympiad Finalists on our problem setting team

Next contest: **August 17-18**

**Programming contests for  
high school students**

Have your students sign up to be notified of upcoming contests
